Russellville Housing Authority

March 2023

NEWSLETTER

- **Maintenance**: If you have an after-hours maintenance <u>emergency</u> call the on-call number: *479-518-5894*. All other work orders should be called into the main office. Make sure your smoke and carbon monoxide detectors are working. If you need the batteries replaced call the office at 479-968-5440.

- **Glenwood:** Committee Meeting Wednesday, March 8th at 10:30am in the community room.

- **BINGO:** We will be hosting bingo on *<u>Thursday, March 9th at 3:00pm</u>* in the Glenwood Community Room.

- **MOCK REAC:** Thank you for being patient with us as we have been performing these inspections.

- **ROSS Services:** Our residents can sign up for the ROSS Program with Courtney. We have a taxi service available to ROSS Participants to get around Russellville as well as getting cleaning supplies and many other services. If you have any questions call Courtney at the main office.

SUCCESS STORY
Jennifer Dixon

Jennifer Dixon has been with us here at the Russellville Housing Authority since March 2022. She called Habitat for Humanity every year for seven years about applying to get a house built with them, and her persistence paid off! She was approved and they broke ground in January 2023 to build her forever home in Pope County. She's very thankful that Habitat for Humanity picked her application for his home build. Since Ms. Dixon is wheelchair bound, It will be custom designed with the Americans with Disability Act (ADA) to give her more freedom within her new home! She has been waiting years for this dream to come true and she hopes others will stay firm on their dreams just like she did and to never give up! Ms. Dixon has been happy to call the Russellville Housing Authority her home during this time but she's even more excited to have her dream of being a homeowner a reality!
