ROSS can help you get enrolled into GED classes or higher education. It also can help you secure affordable childcare in addition to other services, like applying for benefits. ROSS also has a 'cleaning closet' where you can get cleaning supplies to help you stay compliant on your lease. If you have any questions call Courtney at the main office. 479-968-5440
- **Success Stories:** *Have a success story?* Did you recently graduate with your GED or an higher education? Maybe you just got approved for a home loan or received a scholarship or grant. Do you volunteer to serve our community? *We want to feature you!* If you are one of our public housing or Section 8 tenants reach out and we will feature you in our newsletter! We love to see our tenants succeed!
